Los Angeles County Enterprise GIS

Users Council Agenda (REVISED)

19 April 2022 — 2:00PM to 3:30PM

Microsoft Teams

(Meeting info provided at bottom of agenda)

The eGIS user's council provides GIS staff from member departments an opportunity to come together on a bi-monthly basis to share information relating to GIS in the County. The Council provides participants a forum to receive important updates about GIS policies, data and infrastructure. Additionally, users have opportunities to share new ideas and tips for innovative and effective application of GIS in meeting a variety of business needs. Invited presentations by County Staff or outside partners and organizations are also be included in some meetings.
